CASE NO.  
8648

O R D E R

On December 15, 1982, the Attorney General, by and through his Consumer Protection Division, filed a Motion for Enlargement of Time (from December 28, 1982, until and including January 4, 1983) in Which to Submit Intervenor's Testimony. The Motion states that the Attorney General's consultant is concerned that there will not be sufficient time to review the data filed in this case and to prepare accurate, adequate testimony by December 28, 1982.

On December 17, 1982, East Kentucky Power Cooperative, Inc., ("East Kentucky"), by counsel, filed its Response to Intervenor's Motion for Enlargement of Time in Which to Submit Testimony. Among other things, East Kentucky states that, while it objects to the Attorney General's Motion, insofar as the granting of the enlargement of time might affect the time schedule, it has no objection to the Commission granting the Attorney General one additional week in which to submit testimony as long as East Kentucky is granted one additional week in which to submit information requests to the Attorney General and the Attorney General is directed to respond to the requests within two weeks of their receipt.

The Commission, having considered the Motion and Response and being advised, HEREBY ORDERS that the Motion be and it hereby is sustained.

IT IS FURTHER ORDERED That the Commission's Order of Procedure entered October 15, 1982, be and it hereby is modified to the extent that Requests for Information by East Kentucky to the Attorney General shall be due two weeks after the testimony has been filed, unless submitted sooner, and the Attorney General shall mail or deliver Responses to Requests for Information from East Kentucky within two weeks of receipt unless submitted sooner.

Done at Frankfort, Kentucky, this 22nd day of December, 1982.
